Commissioner:

By transmittal letter filed on or about February 8, 2000, attorneys for the Applicant filed a PETITION UNDER SECTION 1.47, along with a DECLARATION and POWER OF ATTORNEY for patent applications in which the co-inventor Asher A. Friesem signed the declaration on behalf of the co-inventor, Yochay Danziger who refused to sign.

The DECISION ON PETITION UNDER 37 CFR 1.47(a) dismissed the petition on the ground that the necessary proof had not been provided, that a person having first hand knowledge of the facts had sent a complete copy of the application papers to Mr. Danziger when the papers were sent, along with documentary evidence along with a clear statement of the last known address of the non-signing inventor. Attached herewith is a Declaration of Galit Gamliel attesting to the fact that a covering letter along with a complete copy of the application and declaration was sent to the inventor, Danziger who has not replied by the due date of July 23,

noted in the letter. Acceptance of the declaration signed on behalf of Mr. Danziger by Mr. Friesem is requested. The accompanying declaration sets forth the last known address of Mr. Danziger.

Respectfully submitted,
